Affinity Esports!

Have your child join us for a Summer of fun with Affinity Esports! Our camps cover engaging activities that drive socialization, skill development, and passion. Our days are balanced between the camp's theme, education around healthy gaming habits, and regular screen breaks. While away from their screen, your child can be found taking walks, doing quick exercise drills, pausing for regular hydration, eating lunch outside, completing team building activities, or playing tabletop games. During the week, your kids will spend roughly half of their time away from the screen, being socially engaged, and fusing their passion for the digital world into peer-to-peer interactions, critical skill development, and new perspectives. Our camps are made possible and enhanced through the support of industry experts, experienced coaches and instructors & well-rounded camp counselors.

Week 1, Camp 1 - Intro to Esports Camp
Have your child join us for Intro to Esports Camp where they will get to experience playing various "E for Everyone" rated games (Minecraft, Rocket League, Knockout City, Fall Guys, Super Smash Bros, and Mario Kart) in a social, team-based setting. They will have the opportunity to learn about these games and the booming esports industry, while focusing on a skill of the day (such as character, teamwork, communication, problem solving, or leadership). This camp is designed to spark passion and interest by exposing your child to a wide range of games, activities, and opportunities, while also focusing on an extreme commitment to balance, health and wellness, and basic internet safety. We also provide guidance and ideas to help parents along their individual household journey as they support their children's passion and normalize gaming achievements.
Ages: 7-13
Days: Monday - Friday
Time: 9am - 12pm
Cost: $110
Dates: June 19 – 23, 2023

Week 1, Camp 2 - Content Creation, Streaming, & Graphic Design for Esports
Have your child join us for our Content Creation, Streaming, & Graphic Design for Esports for Esports, where they will learn the fundamentals and develop skills necessary to become a successful content creator. During this class, your child will have the opportunity to explore their creativity as they produce unique content. They will get an overview of hardware and software requirements, streaming platforms (such as Twitch and YouTube), lighting, audio, video editing, graphic design, and more. They will be able to configure their setup, get behind the camera and microphone, and share the final results online (or just with family and friends). This class will provide the foundation for aspiring creators to expand their creativity and passion into all areas of their life, be it esports, gaming, or otherwise.
Ages: 7-13
Days: Monday - Friday
Time: 1pm - 4pm
Cost: $110
Dates: June 19 – 23, 2023
