3. New equipment warranties
4. Documentation
5. Equipment Training as required by the Borough

1.5 Negotiation

The Borough of Naugatuck reserves the right to negotiate with the contractors submitting proposals

1.6 Equal Opportunity Clause

The Borough of Naugatuck is an affirmative action/equal opportunity employer.

(1) The vendor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The vendor will, in all solicitations or advertisements for employees placed by or on behalf of the vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(3) The vendor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the vendor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The vendor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The vendor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the vendor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the vendor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) the vendor will include the provisions of paragraphs (1) through (7) in every sub contract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subvendor or bidder. The vendor will take such action with respect to any sub contract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the vendor becomes involved in, or is threatened with, litigation with a subvendor or bidder as a result of such direction, the vendor may request the United States to enter into such litigation to protect the interests of the United States.

1.7 Submission of Proposals

Proposals will be accepted until 11:00 AM on October 1, 2018. All proposals must be clearly marked on one (1) large envelope entitled: **Contract No. 18-35**

Proposals shall be mailed or delivered to:

James R. Stewart
Director of Public Works
246 Rubber Ave
Naugatuck, CT 06468
203-720-7072

Late submissions will not be accepted

1.8 Evaluations and Selection Criteria

Bidders will be selected with the following criteria (not listed in order of importance):

- a) Past company experience within the region
- b) Cost for complete vehicle and equipment, as determined by the Borough.
- c) Warrantee provided.
- d) Delivery schedule of proposed vehicles.
- e) Other criteria as determined by the Borough, weighting criteria will be determined by the Borough.
- f) The Borough reserves the right to negotiate with the successful bidder on the terms of their proposed Contract before signing, if it is in the best interest of the Borough.
- g) If the Borough cannot negotiate a contract with the selected Contractor the Borough may choose to negotiate with the next ranked vendor.

1.9 Borough of Naugatuck's Reservation of Rights

The Borough of Naugatuck reserves the right to waive any informality or to reject any or all proposals or to accept any proposals, should it deem it to be in the best interest of the

Borough. The Borough reserves the right to reject any proposals if they show any omission, alteration of form, additions not called for, conditional bids, or irregularities of any kind.

1.10 Reimbursement for Costs

It is the responsibility of the Bidder's respondents to pay for all costs associated with submitting proposals. The Borough of Naugatuck shall not reimburse any costs.

1.11 Insurance Requirements

Before execution of the Contract, and before each Contract year, the Bidder will be required to file with the Borough of Naugatuck a certificate of insurance. The certificate shall be executed by an insurance company in good standing with the State of Connecticut and shall name the Borough of Naugatuck and the State as additional insured parties on the form furnished with these specifications. The "Certificate of Insurance" shall state that at a minimum, with respect to the Contract, the Bidder carries insurance in accordance with the requirements and stipulations listed below.

Unless requested otherwise by the Borough of Naugatuck, the Bidder and its insurer shall not assert the defense of governmental immunity in the adjustment of claims or in the defense of any claim or suit brought against the Borough and the State. The Bidder shall assume and pay all costs and billing for premiums and audit charges earned and payable under the required insurance. Any deductibles are the sole responsibility of the Contractor, including claim handling and legal expenses.

A. Workmen's Compensation Insurance: With respect to all operations the Bidder performs and all those performed for it by subbidders, the Bidder shall carry worker's compensation insurance in accordance with the requirements and the laws of the State of CT.

B. Contractor's Public Liability and Property Damage Insurance: With respect to the Project operations the Bidder performs and also those performed for it by subbidders, the Bidder shall carry regular Contractor's Public Liability Insurance. The insurance shall provide coverage for each accident or occurrence in the amount of \$2,000,000 for all damages resulting from (1) bodily injury to, or death of, persons and/or (2) injury to or destruction of property. Subject to that limit per accident or occurrence, the policy shall provide a total or aggregate coverage of \$5,000,000 for all damages during the policy period.

C. Automobile Liability Insurance: The operation of all motor vehicles, including those hired or borrowed shall be covered by Automobile Liability Insurance. The insurance shall provide coverage for each accident or occurrence in the amount of \$2,000,000 for all damages resulting from (1) bodily injury to, or death of, persons and/or (2) injury to or destruction of property. If an insurance policy shows an aggregate limit as part of the automobile liability coverage, the aggregate limit must be at least \$2,000,000.

D. With respect to the operations the Bidder performs and also those performed for it by subbidders, the Bidder shall carry for and on behalf of the Borough of Naugatuck and State, insurance which shall provide coverage for each accident or occurrence in the amount of \$2,000,000 for all damages resulting from (1) bodily injury to or death of

person and/or (2) injury to or destruction of property. Subject to that limit per accident or occurrence, the policy shall provide a total or aggregate coverage of \$5,000,000 for all damages during the policy period.

E. Termination or change of Insurance: Each insurance policy shall be endorsed to provide that the insurance company shall notify the Borough of Naugatuck by certified mail at least thirty (30) days in advance of termination, or any change in the policy.

F. Claims: Each insurance policy shall state that the insurance company shall agree to investigate and defend the Borough of Naugatuck and State against all damages, even if groundless.

G. Compensation: There shall be no direct compensation allowed the Bidder on account of any premium or other charge necessary to take out and keep in effect all insurance or bonds, but the cost thereof shall be considered included in the general cost of the work.

1.12 Signature Requirements

Proposals must be signed by a duly authorized official of the Company. Consortiums, joint ventures, or teams submitting proposals will not be considered, unless it is established that all contractual responsibility rests solely with one Contractor or one legal entity, which shall not be a subsidiary or affiliate with limited resources. Each proposal should indicate the entity responsible for execution on behalf of the proposal team.

1.13 Safety

All practices, materials and equipment shall comply with the Federal Occupational Safety and Health Act, as well as any pertinent State and/or local safety and environmental codes.

1.14 Observance of Laws

The Contractor shall, at all times, observe and comply with all Federal, State and Borough laws, ordinances and regulations in any manner affecting the conduct of the work.

1.15 Attachments

The following attachments shall be made part of this RFP:

- A. Certificate of Non-Collusion Form
- B. Specification for 2019 F350 4X4 Regular Cab with Plow and Sander
- C. Specification for 2019 F350 4X4 Super Cab with Plow and Sander
- D. Specification for 2019 F650 Tool Truck

1.16 Transferability of CONTRACT

No assignment of the contract or any right accruing under this contract shall be made in whole or in part by the Contractor without the express written consent of the Borough, which consent will not be unreasonably withheld. In the event of any assignment, the assignee shall assume all of the liability of the Contractor.

1.17 CONTRACT Documents

The Request for Proposal and its attachments, Insurance Certificates, the executed contract and any addenda to the foregoing shall constitute the Contract Documents.

1.18 Indemnity

The Contractor shall indemnify, hold harmless, and exempt the Borough, its agents, servants and employees from and against all legal proceedings, claims and associated costs and Attorney's fees incident to any work done in the performance of this CONTRACT arising out of a willful or negligent act or omission of the Contractor, its agents, servants or employees.

1.19 Liquidated Damages

The dealer shall provide the Borough of Naugatuck a schedule of delivery for each of the completed bid vehicles (calendar day from receipt P.O.) Liquidated damages shall be assessed at a rate of \$15 per day beyond the scheduled date of delivery. Liquidated damages will be deducted from the purchase price.

1.20 Default

If the Contractor fails to perform this contract in accordance with its terms, the Borough shall have the right, in addition to all other remedies it may have, to declare the Contractor in default, and to resubmit the contract for further bid. In that event, the Contractor shall pay to the Borough, as liquidated damages, the amount of any excess of the new contract price over the Contract price herein provided for, both prorated to the period of time covered by the unexpired term of the Contract at the time of default.

Section 2: Items Required With Bid Response Packet

The following items are required to be included with your bid response packet:

2.1 Letter of Interest

The Contractor shall submit a signed letter of interest on company letter head detailing the proposed project and the company's experience and any assumptions, conditions or important information needed in order to properly review the proposal.

2.2 Price Proposal

The proposal shall include the following minimum items:

1. Detailed Price proposal including detailed spec sheet of the vehicles proposed.
2. Breakdown of costs for vehicles, options and equipment
3. Completed specification schedule showing Specifications meet and exceptions/variatioins
4. List of additional equipment and supplies that are included.
5. Cut Sheets of proposed equipment.
6. Proposed Warrantees
7. List of any subContractors, Truck builders that are to be utilized for the project.

2.3 Schedule of Delivery

The Dealer shall submit a schedule of delivery in days from the receipt of the purchase order.

2.4 Insurance Certificate

The Contractor shall submit an insurance certificate showing the Contractor's current applicable insurance coverage.

2.5 References

The CONTRACTOR shall provide a minimum of three (3) references, preferably municipalities in Connecticut or New England), where they have supplied vehicles and or equipment.
