

Road Paving Program
Naugatuck, Connecticut

Contract 19-12

ADDENDUM NO. 1

July 24, 2019

QUESTIONS FROM CONTRACTORS/SUBCONTRACTORS AND CORRESPONDING RESPONSES

Please recognize the following requests for information:

1) *Question:* Does the Town take excess material from reclaiming?

Response: **Excess material from reclaiming operations can be delivered by the contractor to the DPW site on Spring Street. No additional payment will be made for the removal or delivery of the excess material.**

2) *Question:* Who removes bituminous curbs prior to reclaiming? Where will the curbs be disposed?

Response: **The Borough will be responsible to remove the bituminous curbing prior to reclaiming operations, If the contractor is required to remove the curbing the additional cost shall be determined at that time.**
