Connecticut General Statutes
Sections 10-16o through 10-16r and Sections 10-16t through 10-16u

The **Quality Enhancement Grant Program** Local Request for Proposal is available for the July 1, 2019 – June 30, 2020 fiscal year. The purpose of the Quality Enhancement Grant is to provide funding for programs that focus on education and early care that address quality standards and/or expand comprehensive services for children and families**. The grant amount should not exceed $3,881.00**

In an effort to address the ever-increasing number of students in need of social/emotional support so they are able to access their education and be happy, productive students, the Naugatuck School Readiness Council is seeking a dynamic service provider to work directly with students as well as faculty in the form of professional development, on- site coaching and mentoring or workshops in the following possible areas:

- Understanding the impact of Adverse Childhood Experiences
- Role of Attachment Theory in the classroom
- Anxiety in young children and their families
- Behavioral and Social /Emotional Learning in children
- Mental health/behavioral health consultation for children and their families.
- Support for preschool teachers in developing peaceful classrooms and behavior management techniques
