## Bidder's Signature, Commitment and Acceptance

Bidder agrees to submit its Bid Form according to the instructions included in the RFP and the Company-specific instructions provided on each Company's website.

Bidder represents that it understands the requirements, terms and conditions of the RFP.

Bidder hereby certifies that all the statements and representations made in this Bid are true and accurate to the best of Bidder's knowledge

By submission of the Bid Form, Bidder agrees that its Bid, including the Purchase Price included by Bidder in such Bid Form, shall be firm, irrevocable and binding upon Bidder. Bidder further agrees that if it is notified that it has been chosen as a winning Bidder, (a) Bidder will execute, or if it is not the Contract Counterparty, Bidder will work with Contract Counterparty to facilitate the execution of the Standard Contract and (b) Purchase Price and all other components of the Bid shall remain open, firm and binding until this Purchase Price and other Bid information have been reflected in a fully executed Standard Contract.

Bidder certifies that if it is not the Contract Counterparty, it shall use its best efforts to cause Contract Counterparty to execute the Standard Contract without modification.

Bidder hereby certifies that the project's In-Service Date has occurred, or will occur, after July 1, 2011 and that the project otherwise meets all of the Program requirements.

Bidder hereby certifies that it, or if it is not the Contract Counterparty, that the Contract Counterparty, has the right to use the site described in the Bid Form consistent with the requirements set forth in Section 4, Bidder Eligibility Requirements, of the RFP.

Bidder hereby affirms that the project's success is not contingent upon Electric Distribution Company ("EDC") assistance in any respect other than execution of the Standard Contract or other services provided by the EDCs on a routine basis to similarly situated projects, such as interconnection.

Bidder represents that it has not received for the project any grants or rebates from the Connecticut Green Bank or its predecessors the Clean Energy Finance and Investment Authority or the Connecticut Clean Energy Fund.
